Hi Mark,

I hope traffic wasn't too horrible when I called.

Anyway, the question is: Did the What's Upstream campaign come up during Gina McCarthy's visit to the Swinomish on April 16, 2015?

I found the EPA's calendar for her that day. It says she met for 30 minutes with the tribal council and then went with the tribe's chairman and Larry Wasserman and others on a boat tour of the Skagit River.

Wasserman, as you may know, controls the What's Upstream website (that's what he told me) and filed the reports with the EPA on the campaign's progress.

Here's link to some photos of Gina McCarthy's visit.
